In this office letter No a 16 5 Mc 21-32 dated 3-1-34 it was ordered that if any special consideration is deemed necessary one or two advance increments may be granted to Mr Canthoy, Rao in fixing his initial pay, only after the period is absorbed permanently in Canvtar, Inspector

2 Accordingly the Director of Health requested action for conforming Mr Canthoy's pay and for fixing his initial pay at Rs 55 p m But he was informed in this office letter No L 4929/ MC 100 -37-8 dated 5-1-38 that the question of conforming the period and fixing his pay can be considered only after the turnover of Village Panchayat bodies are absorbed as Sanitary Inspectors

Letter Dr C 323-12 dated 10-3-37 from the Director of Health recommending that, in the circumstances explained, Mr Santhoja Rao's pay may be fixed at Rs 67 from 17-12-34

7 The Director of Health has explained in detail the facts of the case

8 So early as March 1934, the De Chittaldrug had recommended that the pay of Mr Santhoja Rao, Sanitary Inspector, Chittaldrug Municipality may be fixed at Rs 65 p m from 28-3-33, thereby allowing the period during which he worked as Panchayet Inspector to count for increments The then Revenue Commr had also no objection to the proposal being sanctioned - But some distinction was made between the Sanitary Inspectors of the Dt Boards and those of the Municipalities

though under the same circumstances orders were issued in this office letter No L 1655 x dated 5-9-34 to the D C Chitaldrug that the proposal cannot be sanctioned and that one or two advance increments may be given to Mr Santhoja Rao after he is permanently absorbed as Sanry Inspector.

9 Accordingly the Dr of Health sought sanction of grant for confirming the appeal and for fixing his pay at Rs 55 p m But he was informed ~~in~~ in this office letter No L 4929/ Ml 100-35-8 dated 3-1-36 that the question

K x

can be considered only after the thrown out Village Panchayet Organizers are absorbed as Sanry Inspectors.

10 The Director of Health now states that Sanry Mr Santhoja Rao was a permanent Inspector and was drawing a pay of Rs 51 p m from 28-3-1926, but that on the abolition of the Taluk Boards, he was appointed as Village Panchayet Inspector, Revenue Inspector etc and that he was finally absorbed as Sanitary Inspector of the Davangere Municipality from 6-8-1930 He further states that his name was omitted from the list of thrown out V P Organisers

on the assumption that he was already absorbed as Sanitary Inspector and that if his name was also included, he would have stood third in the list. His

11 For the foregoing reasons, the Dr of Health states that the case of Mr Santhoja Rao is similar to the cases of many Sanitary Inspectors in whose case enhanced pay was recently sanctioned by Govt and recommends that the service put in by Mr Santhoja Rao as V I Inspector may be counted for the grant of increments and that his pay may be fixed at Rs 67* p m w.e.f. 17-12-34 in the revised grade. In support of this recommendation, the Dr of Health has quoted some instances in which enhanced pay was given to Sanitary Inspectors under similar circumstances.

12 The facts stated above are borne out from the entries in the service registers of the officers and the proposal may perhaps be sanctioned in view of the precedents quoted.

Memo of Points

1 I was a permanent Sanitary Inspector under the Kolar District Board on Rs 51/-on 28th March 1926

2 I was appointed as Village Panchayet Inspector from 1-2-1927 on Rs 60/- which was subsequently abolished under orders of Government

3 Afterwards (i e , after the abolition of the Village Panchayet Inspectors) I was taken back as - Sanitary Inspector on Rs 50-0-0 in the Davangere - Municipality which was made permanent in G O No L 508-9 Ml 19-32-53 dated 24-7-1934

4 It is therefore submitted that I am a permanent Sanitary Inspector and not one yet to be confirmed as has been kindly referred to in Government Letter No L 1655 M L 21-33 -103 dated 5-9-34

5 Had I continued as Sanitary Inspector without any disturbance I should have been drawing Rs 73-0-0 by now which most of my colleagues are drawing

6 For no fault of mine I have been made to suffer all along and I am still suffering

In this connection I beg most respectfully submit that many thrown out Panchayet Inspectors who were subsequently absorbed as Sanitary Inspectors both on the District Board and the Municipalities have been shown liberal concessions by the Benign Government and they have been given enhanced salaries So far as I understand the following Officials have been benefitted under the District Boards -

(Messrs -)

Messrs -1 N JyothiLinga Rau
2 Nanjundappa
3 Modak

5 Doraswami Iyengar

Under the Municipalities -

7 My case stands on all fours with the officials referred to above Though my case was recommended more than once both by the Deputy Commissioners of Chittaldroog and the Director of Health for fixing my pay at Rs 65/- from 28th March 1933 why ~~XXXXX~~ my case was not viewed favourably by the Government has to be attributed only to my bad luck

8 So far, I have put in a total service of 21 years but yet I am only drawing Rs 50/-

9 I have been discharging my duties to the entire satisfaction of my superiors and have been maintaining a uniformly good record of service

10 I have again submitted my Memorial for reconsideration of the orders passed by Government in their Order No L 1655-M1 21-33-103 dated 5-9-1934

11 In view of the circumstances explained above I respectfully request the benign Government to be graciously pleased to consider my hard case and fix my pay at Rs 65/- from 17_12-1934 or at Rs 73-0-0 from - 17-12-1936,

as has been kindly fixed by Government in the case of the Officials referred to in para 6, above, and who were also placed under the same predicament like myself

For which act of kindness I shall remain ever grateful

SIR

Adverting to your letter No L 4929/M 1 100-35-8 dated 3rd January 1936, informing that the question of confirming and fixing the pay of Mr G Santhoji Rao, Sanitary Inspector, can be considered only after the thrown out Village Panchayet Organisers are absorbed as Sanitary Inspectors, I have the honour to bring the following facts for favour of reconsideration of the above order

As seen from the Service Register, Mr G Santhoji Rao, entered service on 26th January 1916, was appointed as Sanitary Inspector on 27th March 1918, and confirmed on 12th March 1923 On the abolition of the Taluk Boards, all the Sanitary Inspectors were appointed as Village Panchayet Inspectors, and on the abolition of these posts in 1930, they were appointed as Revenue Inspectors Mr G Santhoji Rao, has also served as Revenue Inspector from 23rd February 1930 to 5th August 1930 He was then appointed as second Sanitary Inspector in the Davangere Municipality from 6th August 1930 His name was omitted from the list of thrown out Village Panchayet Organisers who were to be absorbed as Sanitary Inspectors, on the assumption that he was already absorbed as Sanitary Inspector If his name was also included, he would have stood third in the list As seven out of the nine thrown out village panchayet Inspectors have already been absorbed as Sanitary Inspectors it is time that Mr G Santhoji Rao is also absorbed as

as Sanitary Inspector in his present post which he is holding from 6th August 1930

The Development Secretary to Government in his letter o L 1655/M1 21-33-103 dated 5th September 1934 to the Deputy Commissioner, Chitaldrug District, conveyed the orders of Government stating that the proposal to count the long period of over six years for the purpose of fixing the initial pay of the official when he was subsequently appointed as Sanitary Inspector is financially inadmissible and cannot be accepted, and that if any special consideration is necessary one or two advance increments may be granted in fixing the initial pay, only after the official is absorbed permanently as Sanitary Inspector

Government were however pleased to sanction enhanced pay in the following cases in consideration of the service rendered by the Sanitary Inspectors as village panchayet and Revenue Inspectors

1 Government Order No L 5115-35/L B 24-33-8 dated 10/11th January 1934, absorbing as Sanitary Inspectors, Mr D Ananthaiya thrown out Village Panchayet Organiser and Mr N Jyothilinga Rao, thrown out Sanitary Inspector on Rs 65/- and Rs 57/- respectively the pay they were originally getting before retrenchment

2 Government Order No L 7798-801/L B 22-33-24 dated 30th April 1934, sanctioned a pay of Rs 67/- from 16th January 1932 to Mr Jyothilinga Rao, by taking into account the period of service rendered by him as Village Panchayet Inspector

3 Government Order No L 7875-8/M1 8-33-12 dated 2nd May 1934 sanctioned the pay of Rs 67/- from 21st December 1931 to Mr B Venkataswami, thrown out Sanitary Inspector

4 Government Order No L 807-9/L B 11-34-19 dated 27/29th July 1935, sanctioned the period of service put in by the margi-

marginally noted Village Panchayet Inspectors to be counted for the grant of increments in the Sanitary Inspector's grade

1 M S Vairamudiappa
2 C C Changalvaraya Naidu
3 B Krishnaswamy Mudaliar
4 C Thirumalachar
5 V S Kasi
6 M Varada Rao

5 Government Order No L 2547-9/L B 18-35-15 dated 9/11th October 1935, directed that the period of service from 1st February 1927 to 18th August 1930, put in by Mr T Doraswamy Iyengar, Sanitary Inspector, as Village Panchayet Inspector and Revenue Inspector may be counted for the grant of increments

6 Government Order No L 37-40/L B 25-34-26 dated 27th June/2nd July 1935 directed that the period of service put in by Mr K N Kurupad as Village Panchayet Inspector may be counted for the grant of increments

7 Government Order No L 8450-54 M1 125-35-8 dated 7th May 1936, sanctioned enchanced pay to Mr A K Modak from Rs 40/- to Rs 75/- from 17th December 1935

8 Government Order No L 8706-12 M1 125-35-9 dated 14th May 1936, sanctioned enhanced pay from Rs 40/- to 75/- from 17th December 1935, to Mr B S Ramanuja Iyengar, Sanitary Inspector

9 Government Order No L2300-2/M1 75-36-7 dated 21st Sept 36 fixing the pay of Mr H Krishna Murthy Rao at Rs 63/- in consideration of his service as Village Panchayet Inspector Mr G Santhoji Rao, was holding a permanent post as Sanitary Inspector, before he was appointed as Village Panchayet Inspector, and was drawing a pay of Rs 51/- from 28th March 1926 If he had continued as Sanitary Inspector, since March 1926, and drawn his increments regularly, he would have reached the pay of Rs 67/- on 28th March 1934 It is therefore recommended that his pay may be fixed at Rs 67/- from 17th December 1934 in the revised scale, as in the several other cases san-

sanctioned recently by Government The Sanitary Inspector has lost much by not getting his usual increments in the due course, and it will work a great hardship for him if he is continued still as a temporary Sanitary Inspector, though he was a permanent Sanitary Inspector, before he was entertained as Village Panchayet Inspector

I therefore request you to be so good as to move Government to kindly reconsider their views in respect of this Sanitary Inspector, and accord their sanction for the grant of Rs 67/- from 17th December 1934, and to confirm him in the post which he is now holding, as it is made permanent as per Government Order No L 508-9/11 19-32-53 dated 24th July 1934 I send enclosed a copy of the representation of the Sanitary Inspector received with the Deputy Commissioner's memo No Dis A5 C 2634/36-37 dated 8th January 1937, for favour of information of Government The Service Register is also enclosed

Representation of Mr G Santhoji Rao, Town Sanitary Inspector, Chintamani

Joined service on 26-1-1916

Appointed as Sanitary Inspector Subprotem in March 1918 and confirmed as such vide Kolar District Board Presidents Office memo No O C 663/22-23 dated 12-3-1923 was drawing a pay of Rs 51 + 20 in the scale of Rs 35-2-67-5/2-87 from 28th March 1926 and the next increment of Rs 2/- i e, Rs 53 + 20 was due on 28-3-1927

The taluk Boards were abolished from 1st February 1927 and hence I was appointed as Village Panchayat Inspector on Rs 60 + 15 which post I held till 22-2-1930 Since the posts of Panchayat Inspectors were also abolished I was appointed as I grade Revenue Inspector on Rs 50/- in which place I worked till 6-8-30 and was then posted as Sanitary Inspector, Davangere Municipality on Rs 50/- which place had just then been sanctioned temporarily This place has since been made permanent vide Government Order No L 508-9/ M1 19-32-53 dated 24-7-1934

I represented my case to the Deputy Commissioner, Chitaldrug District to confirm me in the above vacancy in which place I worked since the time it was temporarily sanctioned and that my pay be fixed at Rs 65/- from 28-3-1933 which pay I would have drawn had not the Taluk Boards been abolished The Deputy Commissioner, Chitaldrug District in his letter No A 6 C 1377/33-34 dated 31-1-1934 recommended to Government stating that my pay may be fixed at Rs 65/- from 28-3-33

The Development Secretary to Government in his letter

No L 1655 dated 21-33-103 dated 5-9-1934 to the Deputy Commissioner, Chitaldrug District ordered that the proposal to count the long period of over 6 years for the purpose of fixing the initial pay of the official when he was subsequently appointed as Sanitary Inspector after holding several other posts temporarily in the interval is financially inadmissable and cannot be accepted If any special consideration is deemded necessary one or two advance increments may be granted in fixing the initial pay only after the official is absorbed permanertly as Sanitary Inspector

On the receipt of this order I again represented that several other Sanitary Inspectors in the KolarDistrict viz , N Jothilinga Rao, B Manjundappa and recently Mr Doraswamy Iyengar, Mr Modak and others whose cases are similar to mine are given their arrears of increments counting their periods of their working as Panchayat and Revenue Inspectors and that my case may be considered as one amongst them

The Deputy Commissioner, Chitaldrug District in his letter No A 6 C 1877/33-34 dated 17-7-1935 has favourably recommended my case to the Goverrment through the Director of Health together with my service Register

My name has not been included in the list of thrown out Panchayat Inspectors (who were Sanitary Inspectors) since I was working as Sanitary Inspector in the Davangere Municipality from 6-8-1930 when they were still continuing as Panchayat organisors

I have represented my case several times in person to the Director of Health and to my misfortune no orders have yet been passed although it is nearly a year and a half since my case has been recommended by the Deputy Commissioner

I therefore beg that I may be confirmed ard my arrears of increments due to me since 28-3-1927 may kindly be sanctioned

The Director of Health reports that Mr Santhoja Rao was a permanent Sanitary Inspector drawing a pay of Rs 51 pm
